

The Park Asset Donation Program is an opportunity to donate to the City of Delta park amenities for the enjoyment of all. These park amenities may serve as memorials or legacies.

How do I get started?

Interested donors can complete and submit the contribution form on the next page.

After the form has been received, our Delta staff will contact the donor to discuss the details of the donation, including options ranging from a monetary donation to sponsoring trees, playground equipment, sports field amenities, park benches, picnic tables and bike racks.

Where will my contribution be placed?

Delta has a variety of locations for donated park assets. Staff will work with the donor to find a suitable location.

What will I receive after my contribution?

All donors will receive a letter of thanks from the City of Delta and a tax receipt for your contribution.

All gifts may be maintained for a period of 10 years from the date of receipt. After 10 years, the City may maintain the asset but may not be obliged to repair or replace.

When can I expect the installation?

Allow approximately 3 to 4 months for the delivery of the asset and plaques, prior to installation.

Trees are planted two times per year, late fall and early spring.
