

IMPORTANT NOTICE

PARKING DISRUPTION – SEE MAP ON REVERSE SIDE

RED ZONE: Friday, September 7, 6:00am - Sunday, September 9, 1:00am

YELLOW ZONE: Saturday September 8, 6:00am to Sunday Sept. 9, 1:00am

TRAFFIC DISRUPTION

Saturday, September 8, 1:00pm - Midnight

The Reason:

- The seventh annual **Luminary Festival** will be held in Sunstone Park on Saturday, September 8, 2018. This event is very popular and once again we request your cooperation to help keep this festival at Sunstone Park safe and successful.
- To ensure a safe evening for all in attendance, the parking and traffic flow in your neighbourhood will be impacted.

Your Assistance is Requested

The section of the road selected for closure (see map on reverse side) will ensure all Sunstone residents continue to enjoy unobstructed vehicular access and egress to and from their residence.

If you live in this impacted area, please:

- Familiarize yourself with the traffic disruption and parking restrictions as mentioned above, in order to avoid unnecessary delays or frustrations.
- Do not park your vehicle in the restricted area as staff and volunteers will be on the roadway setting up festival booths, hosting activities and directing shuttle buses transporting people.
- Unfortunately, vehicles left behind in the restricted area will be given a courtesy tow to Brooke Road.
- If you must drive on Delsom Crescent during the closure, we ask that you allow extra travel time and take directions from certified traffic control personnel on site.

Thank You

Remember to bring your friends and family together beforehand and have some fun creating your own unique lanterns to bring to the event. You can find festival information and lantern ideas at delta.ca/events.

If you have any questions about traffic disruptions or parking restrictions, please contact the Engineering Department at 604.946.3260 or email engineering@delta.ca or visit the website at delta.ca. If your vehicle has been towed call **604-946-4411** on the weekend for location information.

Your cooperation and understanding is greatly appreciated and we look forward to you joining us for this wonderful community event.
